Y'S MEN'S CLUB SONG

- (1) Midst the bustling (*name of location*) town,
There's a club of great renown.
For it stands for everything that's good and true.
Every member full of pep, Every member keeping step,
That's the way the Y's Men put their program through.

Chorus:

For the Y's Men we are marching,
For the Y's Men on we go,
For the Y's Men we will stand,
For the Y's Men great and grand,
For the Y's Men are the finest club we know.

- (2) Helping all neglecting none,
One for all and all for one,
In a unity of fellowship and fun.
Though the need be great or small.
You can count on one and all.
When there's work for social welfare to be done.

(repeat Chorus once)
